Okemah,
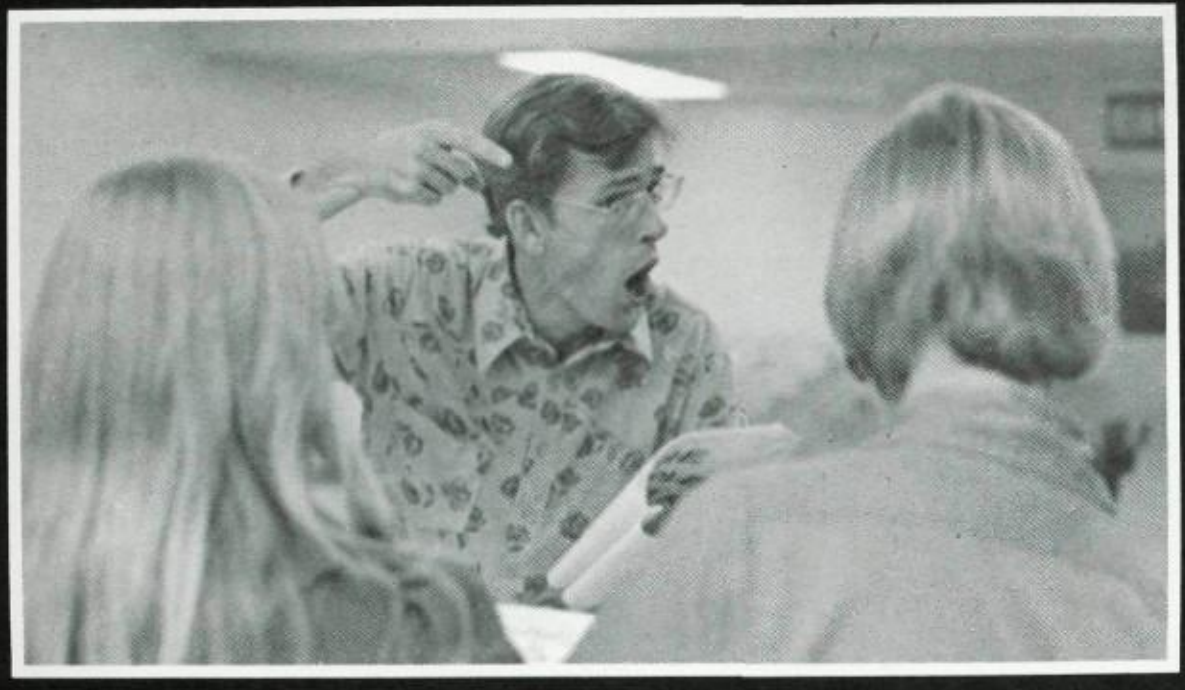
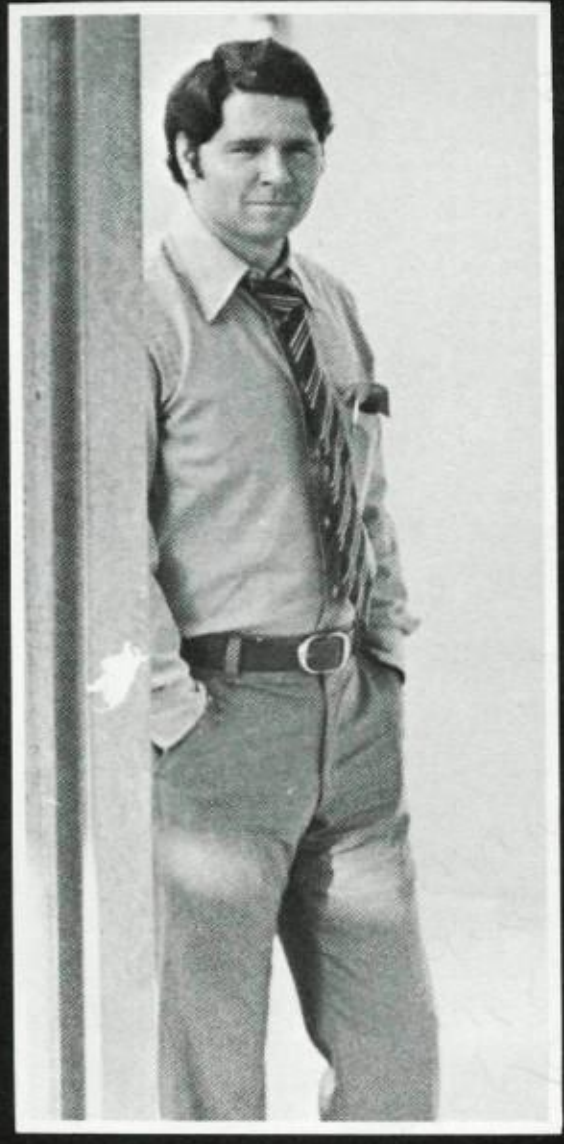
You have been in my French class all year, but you've been so quiet. I hardly knew you. Hope we stay friends throughout Marian
Introduction 15

A time to learn together





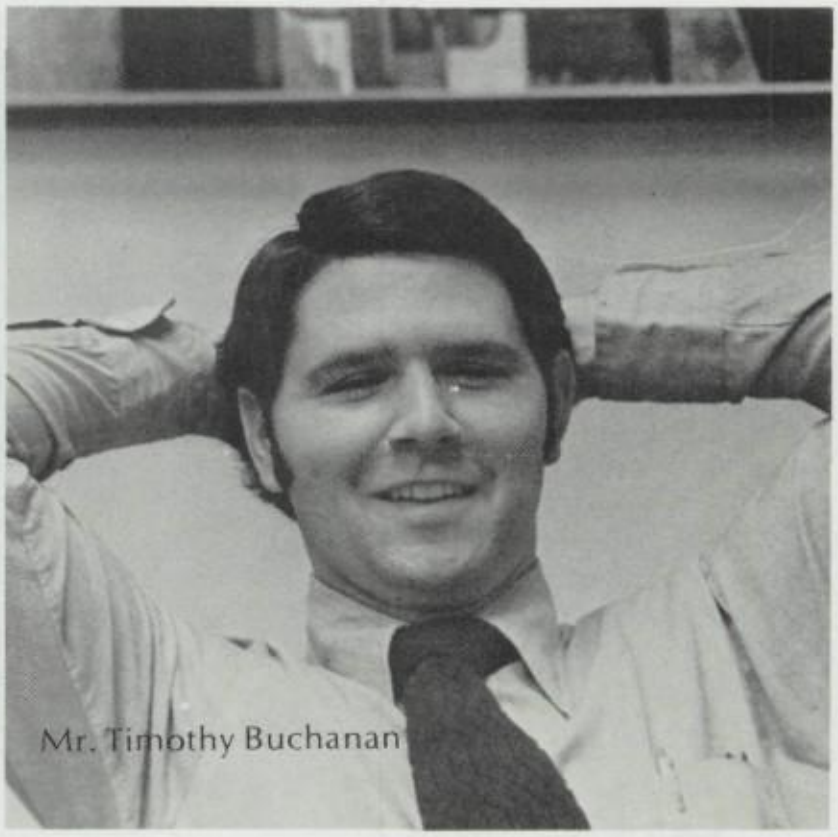
Mr. David O. Stine, Principal

Ms. Marilyn Beane

Principal

Principal David O. Stine comes to Mt. Carmel from La Mirada High School in Los Angeles County. Mr. Stine is well known to the students from his participation in the popular fall pep rallies and his appearance at many of the sports events and student activities. He is often seen at lunchtime visiting with students. He is seen above in a familiar pose, showing students around the Mt. Carmel campus which was not ready for the students until February. His busy secretary is Ms. Marilyn Beane.

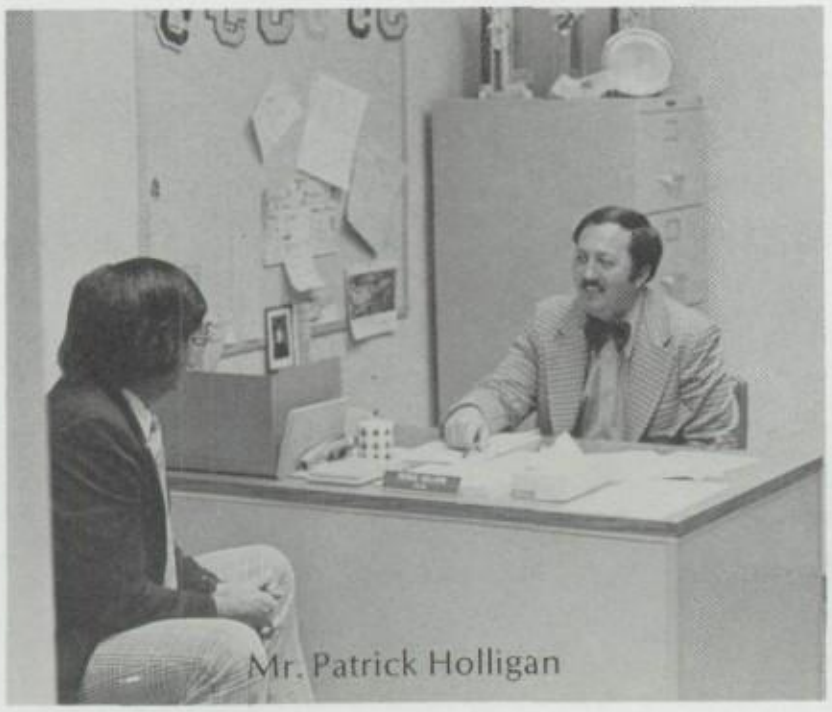
Ms. Phyllis Manning



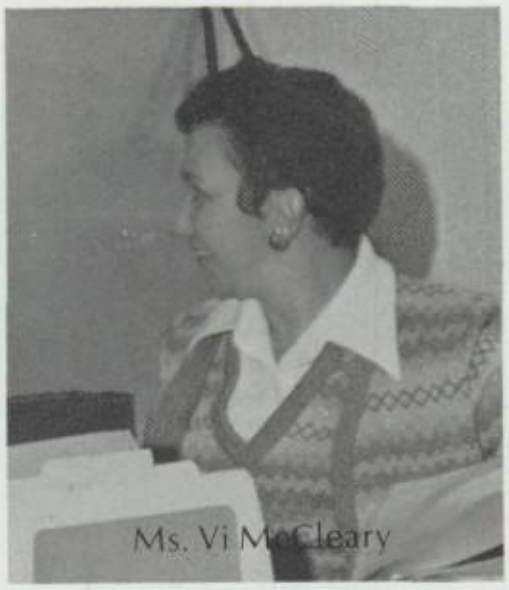
Mr. Timothy Buchanan

Deans

Ms. Manning, besides her duties as dean, spends much time working with scheduling and curriculum. She came to Mt. Carmel from Poway High. Mr. Buchanan, formerly with the Newport Mesa District, works with Band Boosters and activities and is helping to plan next year's vocational classes. Mr. Holligan is athletic director and was principal at Abraxis High last year.

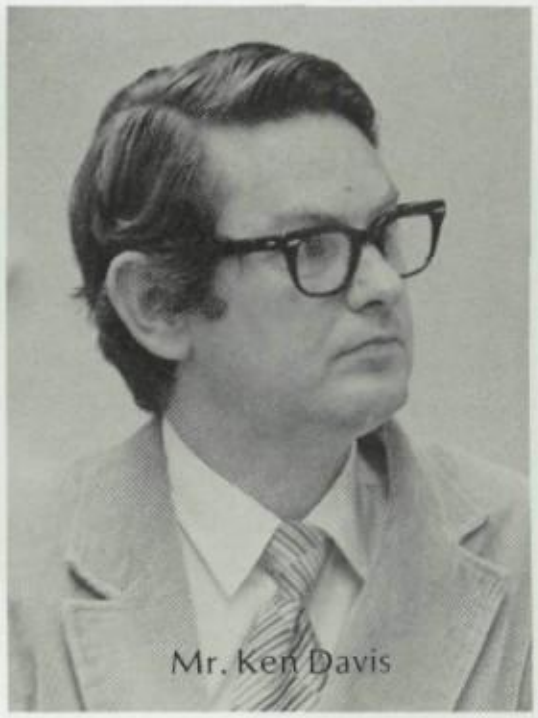


Mr. Patrick Holligan



Ms. Vi McCleary

Ms. Audrey Nieman



Mr. Ken Davis

Ms. Sue Chapin

Counselors

Counselors Davis and Chapin have had a busy year handling much paperwork involved in starting a new school and working to orient students and parents to the classes offered. They have begun a Student Information Team, a new concept in the Poway District. (See the club section for more detail.) Their secretary is Ms. Audrey Nieman.

Librarian and Staff

For the first semester, the Mt. Carmel Library was a classroom overflowing with textbooks and cartons of in-coming books for the library-to-be. Ms. Sloan managed the library alone until second semester when librarian Ms. Kay Niemeyer and another assistant, Ms. Shirley Gabeff, joined the staff. The library building itself is still under construction, scheduled for completion next fall.

Pep Club— Keeping Sun Devil Spirit High

Pictured above are the members of the Pep Club. Back Row: Cindy Ridout, Carrie Messina, Patti Crawford, Kathy Stephens, Wendy Wingerter, Kathi Jones, Kathy Messina, Linda Biegenzahn, Karen Beck, Marida Rodriguez, Terri Faulkner. Middle Row: Bobbie Beeson, Ms. Ward, Kim Boyd, Lynn Humes, Rita Myers, Michele White, Shaun Huckstep, Sheila Kelchlin, Ruth Delamarian, Tanya Koetsch, Trisha Speer, Erin Sines. Front Row: Patty Heid, Roberta Ruegg, Connie Berry, Sharalyn Vinson, Julie Wilson, Marilyn Bowie, Teri Diamond, Nancy Sjodin.
To the Right are the Pep Club officers: Ruth Delamarian, Linda Biegenzahn, Sheila Kelchlin, Teri Diamond and the Pep Club sponsor, Ms. Tricia Ward.

The Pep Club is one of the most active groups on campus, especially during the fall and winter. They actively support the athletes as they sit right behind the cheerleaders at games and add their voices to those of the Sundevil fans.

A.S.B.

The Mt. Carmel Associated Student Body organized Spirit Week and many other activities. This year they spent most of their time setting traditions for future years.

Above are Secretary Diane Fralia, Treasurer Linda Vadar and Cathy Hondros looking over the constitution. To the Right is A.S.B. President Shelia Kelchin. Not Pictured is Vice-President Ron Kozak.

Okema,
Be cool in years to come and have fun in the summer. Good luck in future years to coone. I shall see you later honey.

Marching Unites

Band

Even though this was the first year for the Sundevil band, they wasted no time in getting into action. Under the direction of Mr. Christie, the band marched in parades and entered and won an excellent rating at the Spring Festival. The band is shown informally Above at one of the many pep rallies it enlivened with its arrangement of "When you say Mt. Carmel, you've said it all!"

One of the band's many decisions this year was the choice of a marching uniform. The uniform will be scarlet with white and gold trim. The hat is white fur with a white feather plume. Art Malmgren has led the marching Sundevils this year as drum major.

Members of the Letterettes are Sheryl Baucom, Jan Faulkner, Terry Faulkner, Lolita Dean, Elaine Clark and Donna Hicks.

Drill Team, Letterettes and Twirler

The Drill Team has been in the Mother Goose Parade in El Cajon along with the Sundevil Marching Band. The Drill Team which now is known as the "Sunnettes." worked on their own time and after schools or before school hours. The Sunnettes now are busy preparing once again a whole new routine and also preparing to recruit new members.

Pictured Right is our feature twirler Pam Lippe. This is Pam's second year twirling with a High School Band. She formerly twirled for the Poway High School Titans Marching Band. Pam has won numerous trophies and awards for twirling and strutting in competition. She enjoyed twirling for the Sundevil Marching Band this year, and hopes to twirl next year again.

"Horizon"

The Yearbook known to most as the "Horizon" reveals our inner scholastic efforts along with Athletic victories and defeats. The "Horizon" more or less sums up the entire year and re-creating it so, in coming years it will give the students and staff, memories of the year 74-75. Then they can compare it with the coming years having a broader outlook on the further development of our school. Included on this page our just some of the "Horizon" staff members. Above Left is one of our many dedicated photographers Adam Gevanthor. Not Pictured are David Wilcox, Bob Bowen, and Mike Hardison who did alot of photography for us. Above Right is our very hard working advisor, Ms. Williams. To the Right is our photo editor Kim Heil. Bottom Right are Carolynn Detoro who is our Business Manager and our Editor Donna Potter.

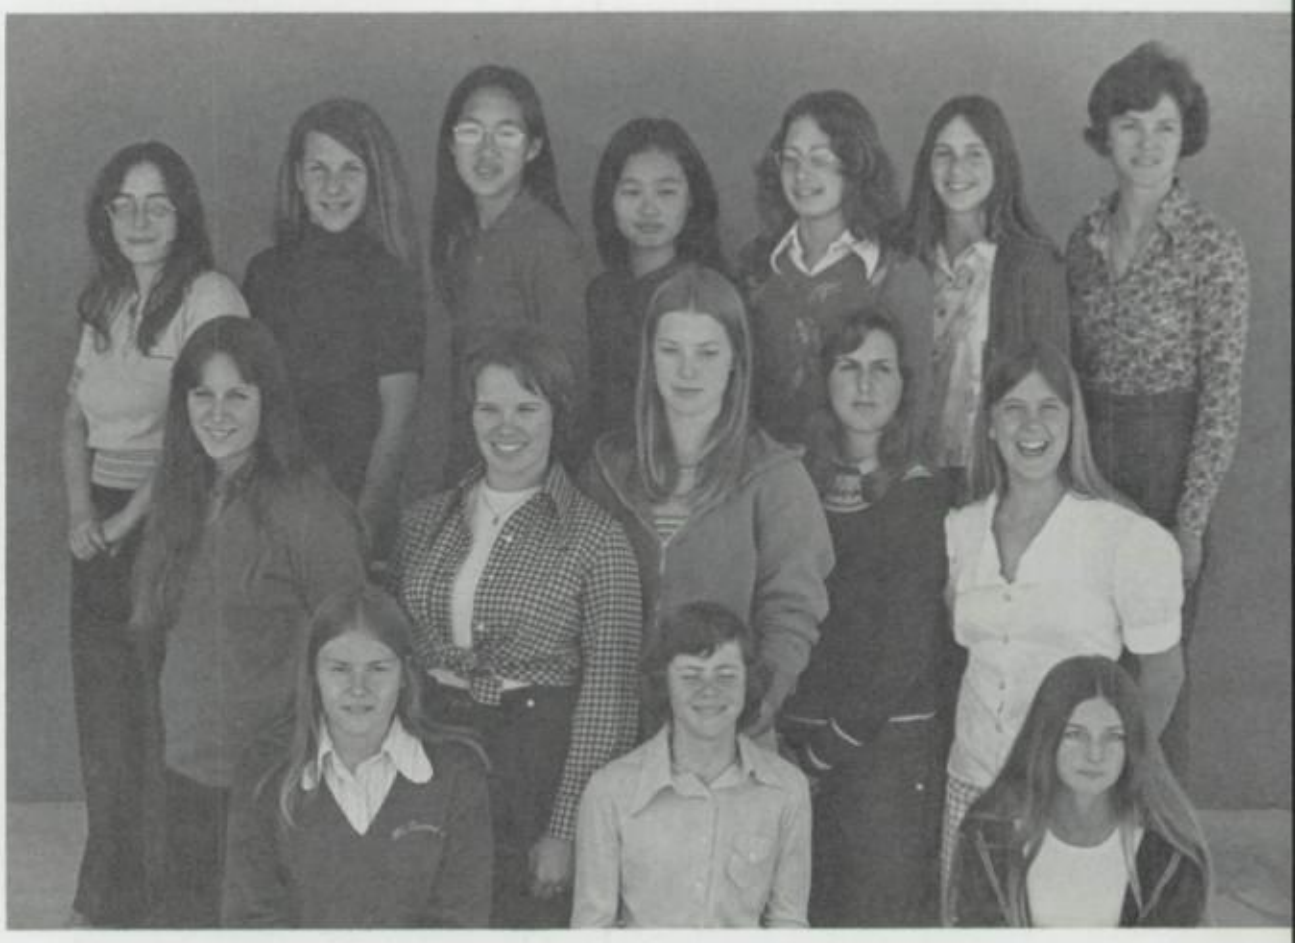
The Mt. Carmel Chamber Choir is the start of a classical vocal ensemble which next year will be a small group within a larger concert choir. They have performed in two major concerts and festivals this year. The first festival was non competitive but in the spring festival they competed against schools with very strong music programs such as Poway, Vista, Grossmont, and Patrick Henry high schools. This kind of tough competition will help to build strength and confidence in our choir. The two major concerts were at Christmas and in the spring. Audiences seemed very pleased with their performances. In March they participated in the annual Thousand Voice Choir concert that is sponsored by Palomar College, and four of the choir members from Mt. Carmel auditioned for solo parts. The choir's talented and hard working director is Mr. Dennis O'Drane.

Student Information Team and A.F.S.

The SIT is a group of students selected by the counselors to perform regular peer counseling functions such as personal problems and college entrance requirements. Bottom Row: Ed Pattynama, Barb Chase, Barbara Lewis, Nanette Gould, Chip Childers, and Dana Valley.

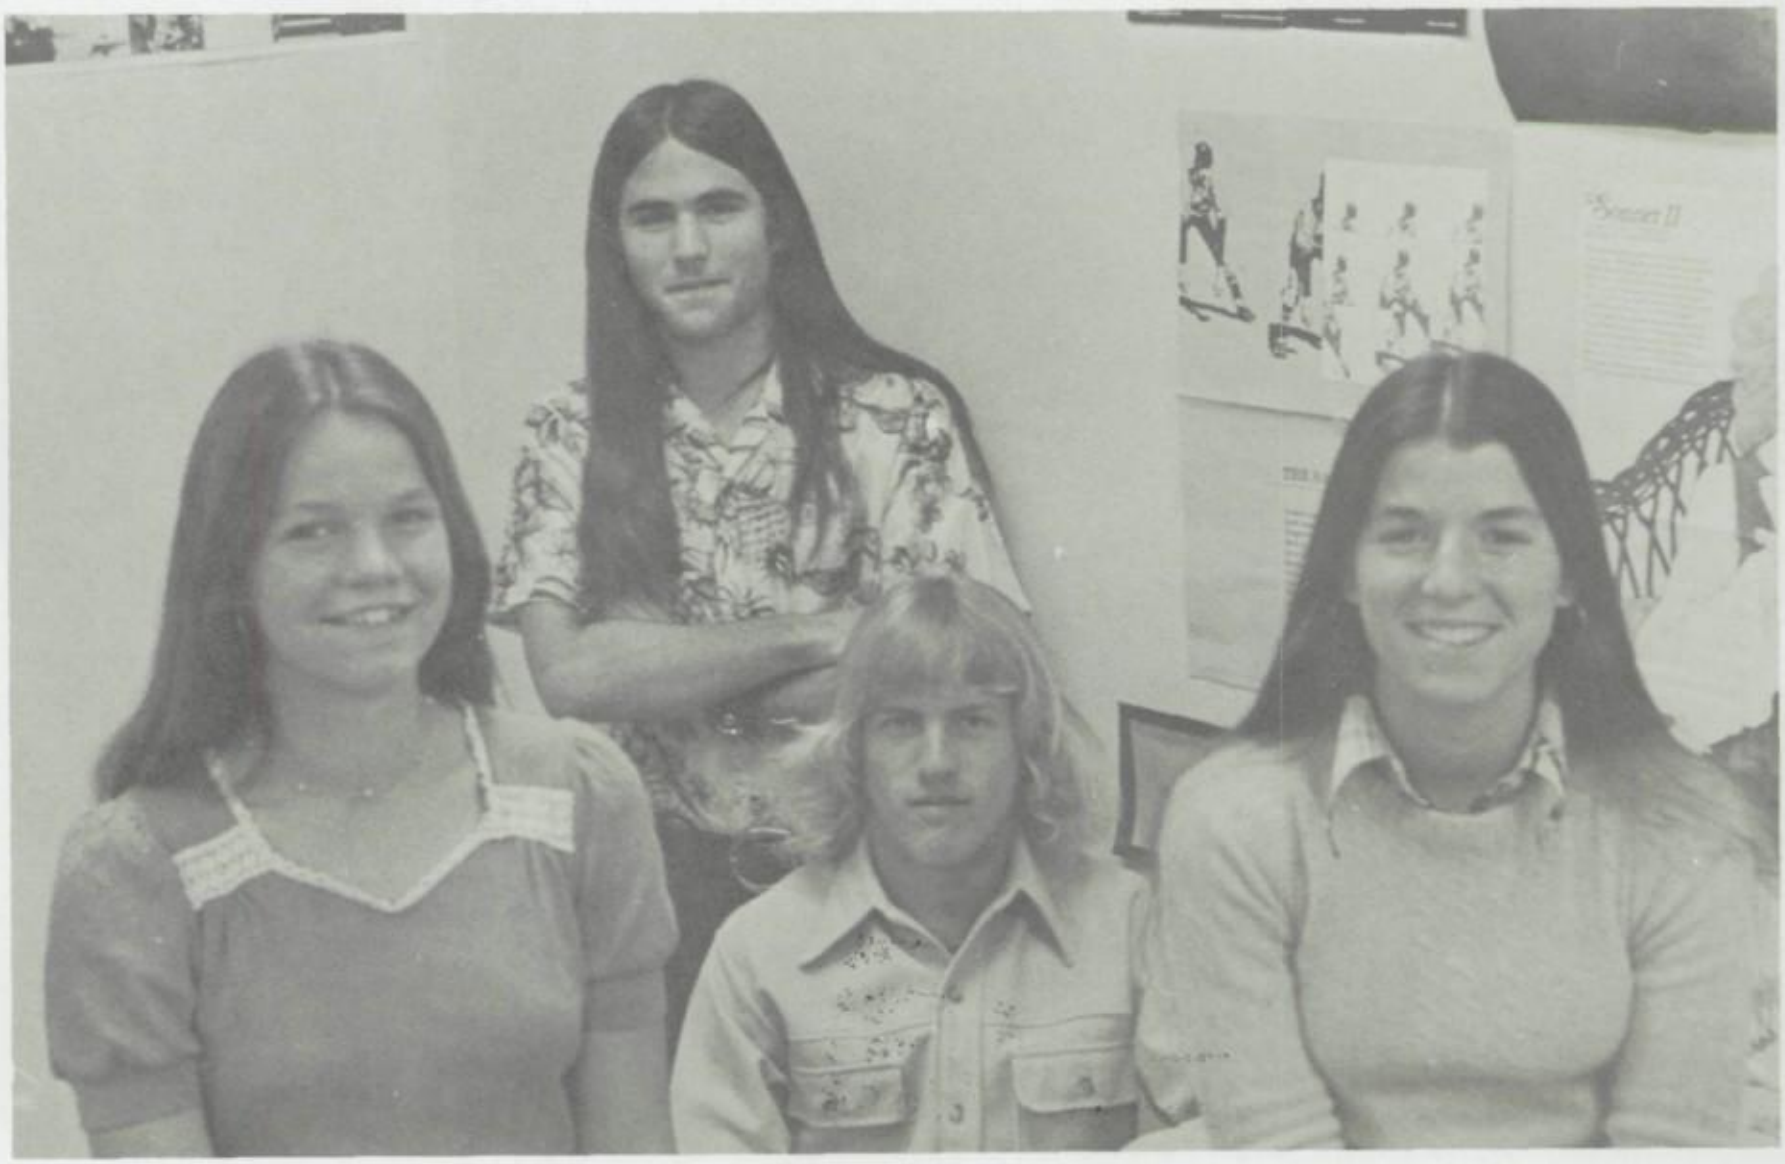


A.F.S. (American Field Service) is a club that raises money to help finance students from foreign countries, so they can come to the U.S. Also it raises money to send American students to other countries. This year, they have had Bake Sales and Garage sales. Also among other things, they had car washes for their fund raising project. The club is hoping that by the school year of 1976-1977, Mt. Carmel will have A.F.S. students. At the Bottom are the A.F.S. members. Top Row: Left to Right-Patti Altobelli, Joanne Tremblay, Wendy Shew, Sandy Myers, Debbie Mavis, Terry Yuill, Tracy Norris, Lori Simpson, Karen Hay, Diane Fralia, Marilyn Bowie, Marilyn Martin, Raelene Doyle.

Sophomore and Freshmen Class Officers

The Sophomore Class officers had a lot of responsibilities this year. Their tasks included setting up customs for the first graduating class of Mt. Carmel. Then they went to choosing the design of the class rings and the emblem for the school. They sponsored many dances, the money from which will be put to good use toward up coming Junior Class activities such as the future Junior Prom. This year's class officers were very strong members of the A.S.B. cabinet. And also with the help of their advisor Mr. Garcia. Below-are Louise Sweig, Pete Barlin, Jack Berkebile, Lisa Stangl.

The Frosh Class officers had its ups and downs during the first half of the year, but successfully recovered, by sponsoring some dances and magazines to earn money for future uses for next year. The advisor for this years Frosh class is Mrs. Broughton. Right-are Cheryl Bemiller, Patti Crawford, Cathy Hondros, Linda James.



Play Production

The Play Production class put on its first major production called "The Apple Tree". It consists of three separate plays. Here are some scenes from the play entitled "The Lady or the Tiger." Above-a scene from "The Lady or the Tiger" in which one of the harem girls is being tortured. Below Right-The Prince pleading the Queen for forgiveness. Soccer

Our Soccer Club was organized by Mr. Vincent Vitale because many guys were interested, but unfortunately they were unable to participate as a regular Soccer team this year but hope to next year. They arranged informal gathering with Poway High's Soccer Club in which the Sundevil's performed outstandingly well.

Spirit Week

One of the more exciting weeks spent by the students and teachers alike was "Spirit Week". To start the week, Monday was recognized as "Hat Day." Students and teachers wore hats of different sizes, shapes and colors. Above-Mrs. Broughton shows her spirit by joining in and wearing a hat, complete with little sayings such as "Toast the Titans." On the Left-Mr. Buchanan, along with spirited mad hatters, was picking the winners of the day. The result was Dave Smith and Mike Sammuli. Tuesday was said to be "Backwards Day". The day started with students going to their 6th period first, then 1st period last. Then there was the 3-legged race in which Linda Biegenzahn and Sheila Kelchlin showed their Sundevil Spirit by winning. Wednesday, a concert in which Sundance was scheduled for was cancelled due to conflicts.

Thursday was referred to as "Bum Day" and also was the day in which people allowed their true personalities to come out. Students and teachers again proved that true "Sundevil Spirit". Many students dressed up as bums though for some it wasn't unusual. A contest for the best bums was held and the winners were Molly Wilson and Bobbie Beeson. Above Right-are the spirited bums waiting for the winner to be announced. Below Right-are more bums taking it easy. Friday was announced as "Spirit Day." It was also the day of the crowning of the Sophomore King and Queen, Frosh Prince and Princess. Pictured Above Right-are the King-Jack Berkebile, Queen-Wendy Wingerter, Princess-Linda Foster, Prince-Walter Lyman. They were officially crowned at our football game in which our opponent was Poway. The game was exciting and everyone was filled once again with that Sundevil pride.

Assemblies

Faculty Game

The Mt. Carmel Faculty met the Poway Faculty in the first annual Faculty game, with Poway edging our team 75-71. It was a close game all the way through, even though the Sundevils opened up with a 14 point lead. Leading the Sundevils was Sam Blalock. Other team members included: John Marincovich, Mike McCann, John Adams, Pedro Garcia, Tim Buchanan, Tom McKinney, Warren Cummings, Gary Hepler, Jim Quiring, Wayne Smith, Mike Olesiuk, and the only female member of our team, Lianne Lane. The principals of both school offered their help and were given the job of being referee officials. Right-Dr. Gardner, Poway's principal, referees along with our Mr. Stine, Pictured Below. On the following page are some candid shots of our team. Opp. Page Top Left-is Gary Hepler concentrating for the free shot. Opp. Page Top Right-Stretch Adams anxiously awaits action. Below-is Jack Berkebile performing on the trampoline as Harold Coates advises the right techniques for trampolining. Harold Coates and Judy Johnson are known to most as the "Trampoline Superstars." Judy Johnson is the World Professional Champion. You might have seen her in commercials such as the Frasca commercial, where she is floating in the air.

More Assemblies

Mt. Carmel's first J.V. football team had a great winning season, according to Coach Bill Levy, because of the fine atheletes who came to practice, worked hard, and were winners.

The Julian game was probably the most courageous game the Sundevils played. Going against a much larger and experienced Varsity team, one that was to win the C.I.F. small school championship, would have frightened most J.V. teams, but the Sundevils were not to be intimidated as they battled all the way.

Frosh Football

Considering the many handicaps that our Frosh Football team had, long hours in the early morning, an audience consisting of a mere ten people who tried hard to cheer them on, and living in the shadow of our J.V. team. Our Frosh football team had a great season. Coach Tom McKinney could be seen many times pacing the sidelines as his team was out on the field working hard to please him. The guys played an agressive game of ball throughout their season. The team ended their season with a record of 5 wins, 3 loses and 1 tie.

Three awards were given at the end of the season, and they went to, David Evans for Most Valuable Player, Tom Shea for Most Valuable Back and Gene Blair won the award for Most Valuable Lineman.

The Mt. Carmel tennis team although winless up until March, is gaining much needed experience in Varsity competition. The Mt. Carmel tennis team has not won a match yet this season and have only managed to scrape up one point in the two matches they have played. They lost their first match against Francis Parker High School. The Mount was shutout by Francis Parker by not being allowed to score one point. The Sundevil's second match against San Pasqual High resulted in another loss as the Mount was defeated by the score of 20 to 1. Mark Huntley and Bob Vendsand have been the two players to create the most problems for the opposing teams with their consistent and steady play. Other standouts on the team are Todd Nelson, Jerry Yates, and Dave Ryan. Coach Marincovich is sure that his team will improve on the basis that all the team needs is a little experience and competition at the Varsity level will improve the teams' record later in the season and the coming years.

Cross Country

The members of this year's cross country team are as follows. Back Row, Left to Right; Joddie Powell, Mike Watrous, Tim Mahoney, Steve White, John Hall, Scott Martini, and Coach Cummings. Our Cross-Country Team had an excellent first year. They started off winning their first three meets. Then came back with a strong win against Coronado and Poway. Then they went to the USIU Invitational and came in first there, which made Mt. Carmel the top soph-frosh team in San Diego. Next they went to the Mt. SAC Invitational in which 208 of the best schools in Southern California attended. Winning our race here, placed our team 6th in all of Southern California. We placed 15th in CIF San Diego Varsity Small Schools. Awards for 1974 Cross Country Team were; Most Valuable Player, Jack Berkebile, Most Improved, Mike Watrous, Most Inspirational, Peter Barlin. Forty athletes turned out for Mt. Carmel's First track and field team this year and from that nucleus we hope to build a successful and winning program. Since we were not scheduled into an established league running against other sophomores and freshmen, our squad was forced to schedule many varsity teams who had older, upper-classmen.

However, the early season performances of our athletes was much better than we had expected. The times, distances, and heights recorded by our athletes were better than most recorded by other sophomores and freshmen in San Diego County.

Don Eidson, Ron Sitzler and John Hall had impressive performances in the sprints and long jump. In the distance runs, Mark Chintala, Ernie Rodriguez and Jack Berkebile were equally impressive. Jack could well be one of the top sophomores mile and two milers in the county. Curt Cantrell and Gene Kelly seemed to be the top prospects in the high and low hurdles. The field events were led by John Hoskins in the high jump, Mike Long in the long jump, and Kelly Dobbins and Karl Bish were the top shot putters and discus throwers.

Since we ran against schools with almost twice the enrollment of Mt. Carmel, many of our athletes competed in three and four events in one meet. At this time the morale of the team seems high as they competed in the Laguana Beach Invitational which brought together some of the best sophomore and freshmen track athletes in San Diego and Orange Counties.

Top Left-Malcom Landrith puts forth a little extra effort to brake the tape as he comes in first in his race. Top Right-Don Eidson gets off to a good start in the 440 relay. Back Row Left to Right-Coach Steve Eisler, Diane Fralia, Terry Gibson, Ken Delano, Dale Hunter, Mike Tornatore, June Allison, Matt Sommers and assistant coach Dave Murphy. Front Row-Robert Green, Ron Craven, Dave Becker, Brian Billiot and Jim Long.

Swim coach Steve Eisler is pleased with his Sundevil swim team's showing early in the season. In its first two meets the team won all events. The relay team came in first in the Junior Varsity Poway Relays while the entire team placed third. Coach Eisler, known to many as the Rancho Bernardo swim team coach, names Jim Long, Mike Tornatore, Ken Delano, Matt Summers, and Brian Billotte as the nucleus of his team. Eisler predicts that Jim Long and Mike Tornatore will place in the C.I.F. championships. Divers Dave Becker and Diane Fralia also have previous competative experience, having both been on the Poway High team as freshmen. Dave Murphy is assistant coach for the team.

The Girl's Tennis Team placed sixth in the Coast League out of eight teams. Wins included two against Ramona, and a home match against Torrey Pines. The team also recorded three ties-two against Torrey Pines and an away match.

The team was composed of freshmen and sophomores competing on the varsity level against teams with freshmen through seniors. Due to a lack of depth the doubles teams were often defeated by much stronger and more experienced players. We are fortunate to be in one of the strongest tennis leagues in the County, being represented at CIF team finals by three Coast League Teams, two of which placed in the top four in the county. This season Rita Myers and Jeannie Erstad went to Coast League finals in singles and made it through the second round. Molly Wilson and Joanne Tremblay played as a doubles team for the first round of League Finals, and Shirley Tucker and Meisha Maddy played through the second round in League doubles. Awards were given to the following people for Most Valuable Player who was Rita Myers, Most Inspirational who was Jeannie Erstad and Most Improved who was Carole Tremblay.

Our Basketball Team had a very successful year with a record of 24 wins and 2 loses. They started out the year with 4 wins then lost to Montgomery. They continued their winning streak for 5 more games, then lost to Fallbrook finishing our year with fifteen wins in a row. The top scorer was R. Dingler with an average total points of 17.7 per game, next was K. Fuller with 11.2 per game.

Top Left- Ken Fuller sits with team mates on the bench as they watch the action on the floor. Top Right- Tom Echols gets set to make a freeshot. Center- Mike Doucet passes the ball to Ken Fuller (51) at a home game at the PHS Gym. Bottom Left- Rod Dingler, as he makes a lay-up. Bottom Right- Steve Krainock as he dribbles down court as Kevin Riker goes down to assist.

Frosh Basketball

Back Row Left to Right-Jeff Warren, Mike Conway, David Curry, Ron Sitzler, David Eby, Skip Setliff, Mario Cozzi, Terry Duke. Second Row-Rick Duns, Mike Brown, Don Drake, David Ryan, Mike Cassidy, Dan Wallet, Keith Rusk, Coach Tom McKinney. Captains are David Curry and Terry Duke.

Our Frosh Basketball team had a really great season. Their coach Tom McKinney worked them hard with practices from 8:00 to 10:00 in the morning and then a study hall from 10:30 till 12:00, but in spite of the disadvantages all their hard work seemed to pay off. They ended their season with a record of 15 wins, 1 tie and 9 loses.

High scorers were David Curry who had an average points per game of 13.2, Terry Duke who had 12.2 and Ron Sitzler with an average of 10.7 per game. The following awards were presented to Mike Brown for Most Improved.

Golf

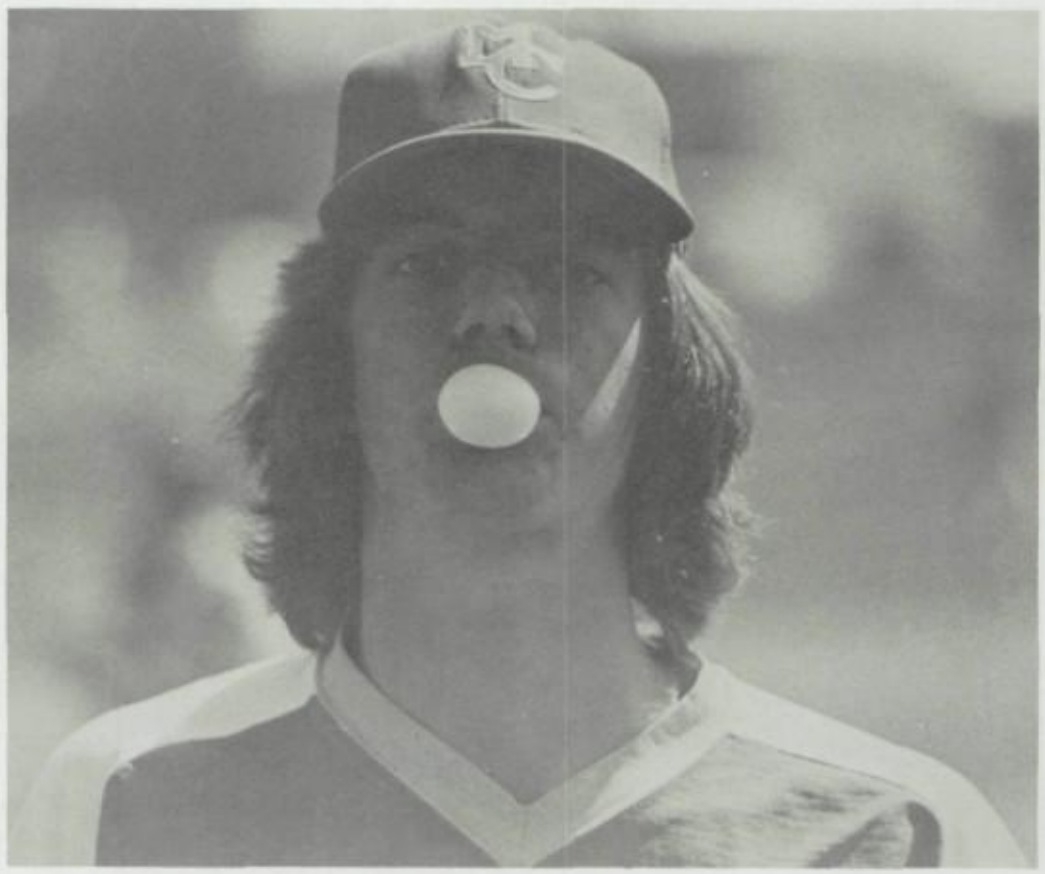
Back Row Left to Right-Greg Currey, Howard Drake, Guy Miller, Tim Livingood, Dave Seeberger and Coach Carunchio.
Front Row-Steve Morris, Joe Morris, Skip Glaizer, Barry Ludwick, and Kevin Scheevel.

This year's Golf team, Mr. Carunchio commented, is an improving team. By the end of the season they should be doing very well, considering they are competing on the varsity level, against many older and more experienced players, but they seem to be holding their own. Coach Carunchio named Guy Miller as the most consistant player of the team.

Far Left-Tim Livingood has just finished his putt for a birdie. Left-Greg Currey watches his drive.

J.V. Baseball

Back Row Left to Right-Trainer Graham Tedford, Steve White, Matt Baker, Tom Harvey, Tom Echols, Rod Dingler, Kevin Gilbert, David Spalding, Dave Maxedon, Coach Sam Blalock. Middle Row-Scott Cobbs, Andy Wright, Rick Shahan, Mark Fiehler. Front Row-Scott Hake, Kevin Hanify, Tim Frye, Bill Ryan, Tom Howard.

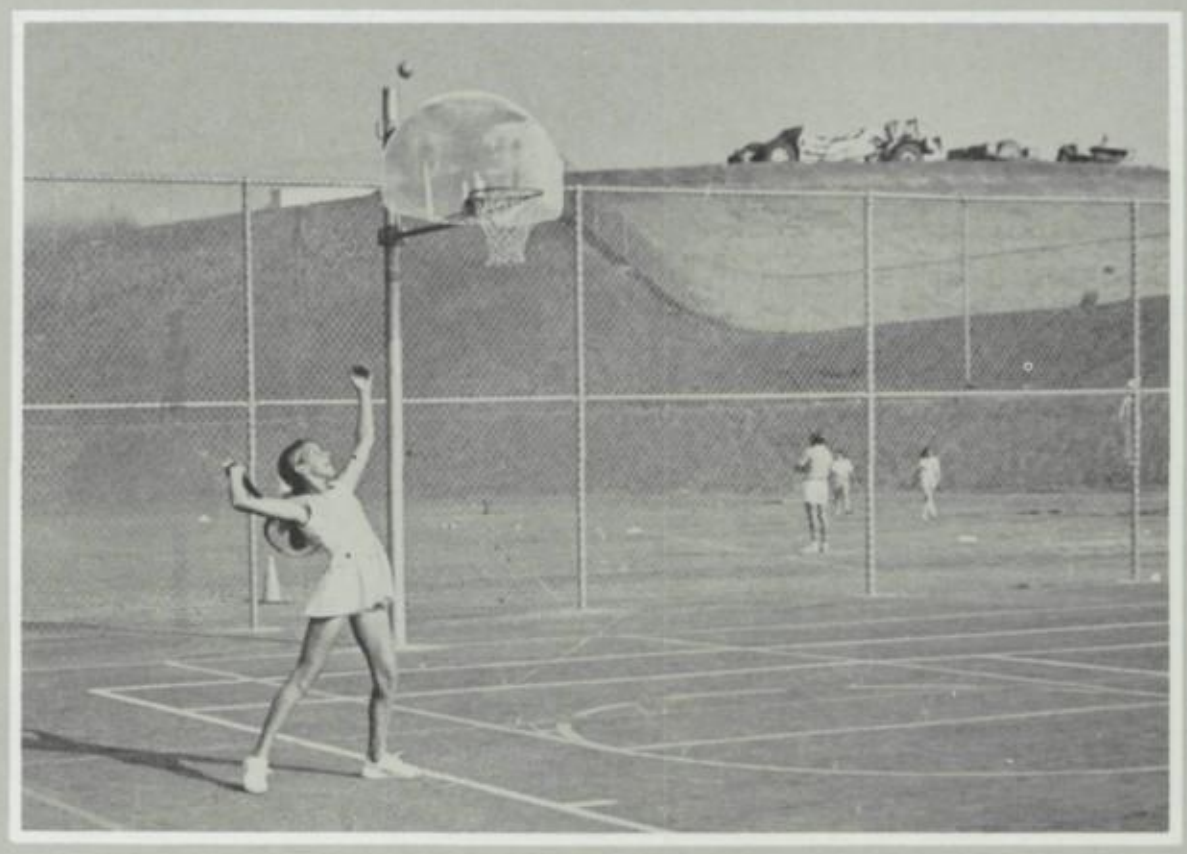


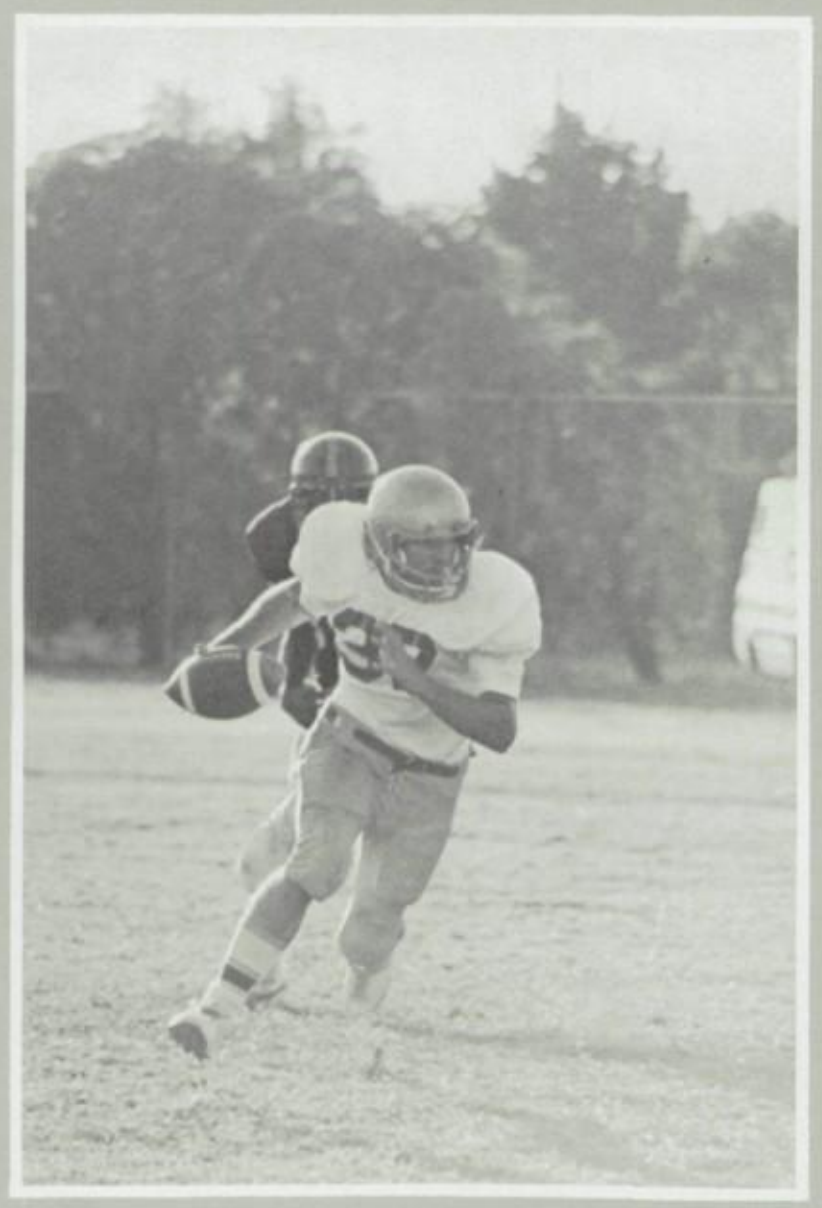
As the HORIZON went to press, the baseball season was getting under way after many weeks of rain and muddy fields. The first Sundevil Classic was hosted by Coach Sam Blalock and his Junior Varsity team.

Opposite Page, Bottom Left-Tom Echols as he winds up a pitch. Opposite Page, Bottom Right-Tom Harvey getting rid of his tension as he blows a bubble. Above Left-Dave Maxedon gets ready as the ball is pitched. Above Right-Matt Baker crouches down low as the ball is pitched.

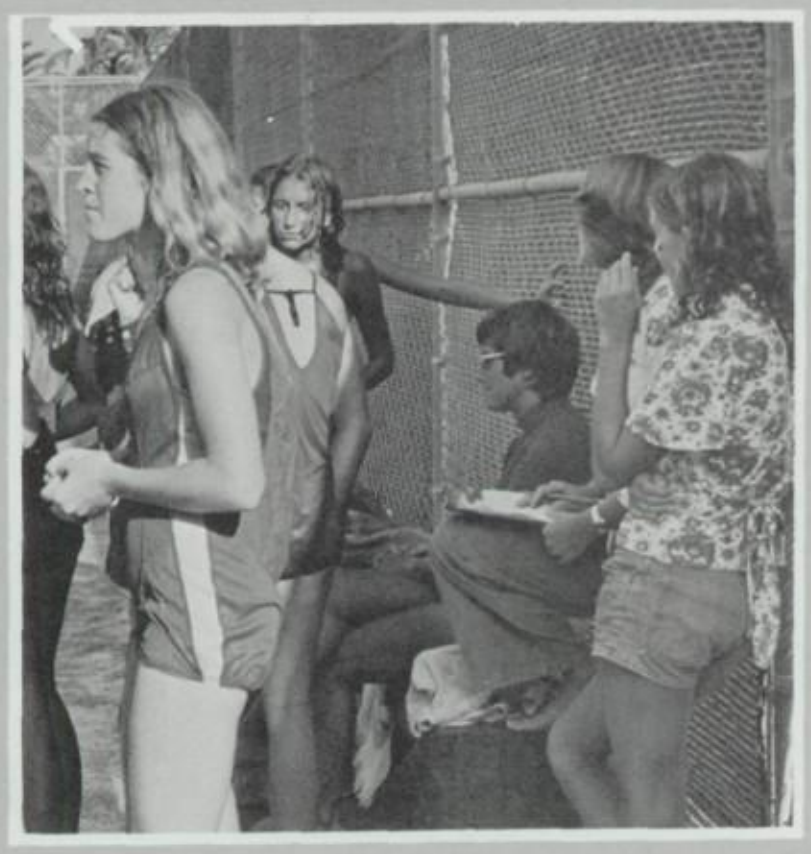
Frosh Baseball

Back Row Left to Right-Tim Robinson, Mike Conway, Ken Lundberg, Coach Mike Olesiuk, Tom Shea, Steve Heiss and Gene Blair. Middle Row-Randy Canales, Keith Rusk, Don Edwards, Ron Montalvo, Ray Hockaday, Don Drake, Skip Setliff. Front Row-Dan Horner, Bob Serrano, David Eby, Steve Krainock.



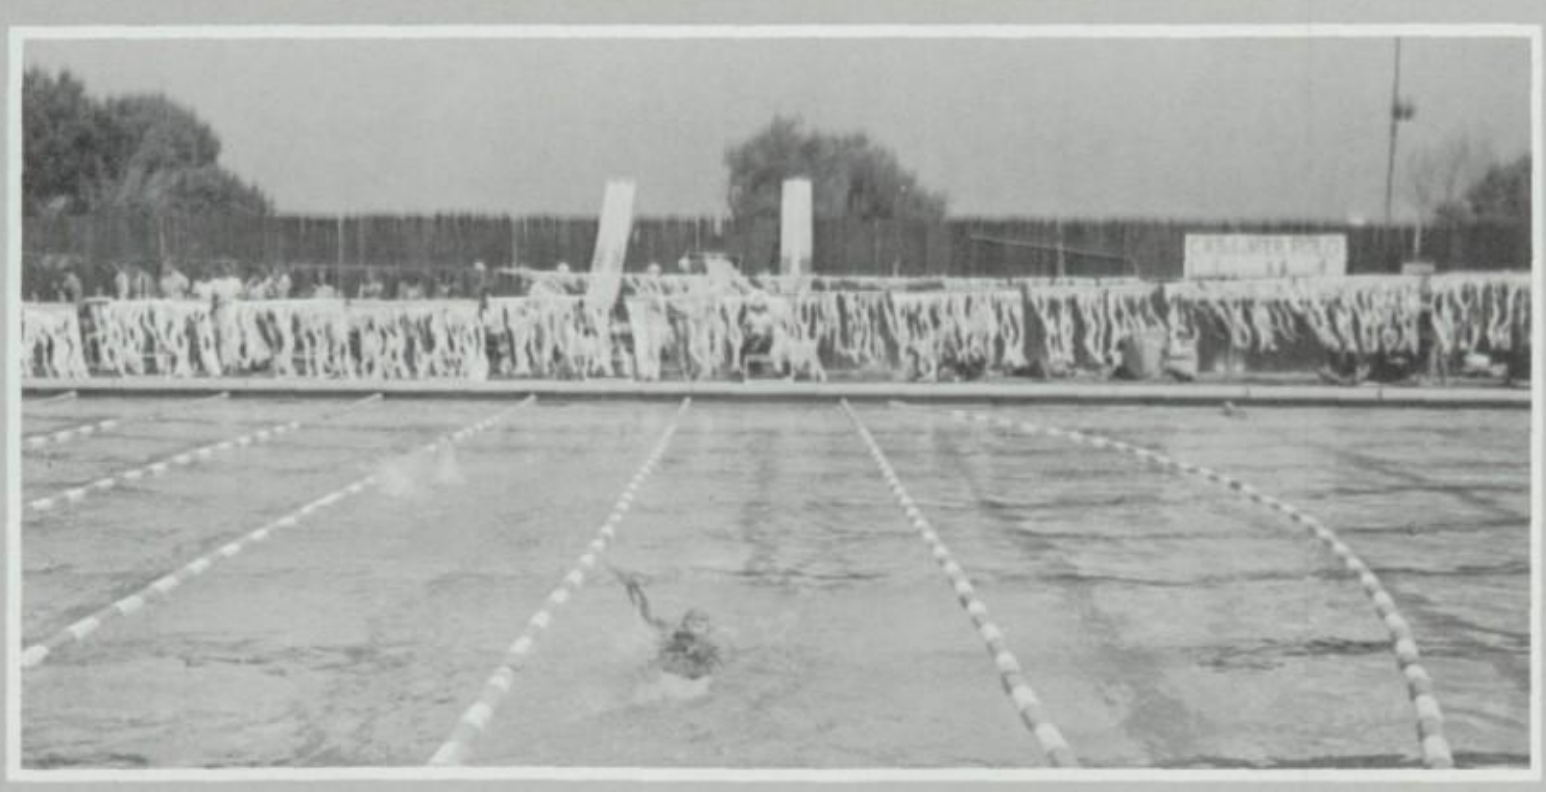


A Time to Look Back and to Plan for the Future . . .



The athletes and their coaches have had a year they would probably not like to repeat. The teams all managed good showings despite the endless problems. First, the school hours of 12:30 to 5:30 meant missing many classes for students and coaches as well as having no fans to shout encouragement. Then there was the problem of having to share fields and the gym with Poway High.

The HORIZON staff apologizes for the limited coverage of several sports, especially freshmen football and basketball and girls track and basketball. We, too, were fighting obstacles. We wish to give credit to student David Wilcox for the many hours he spent covering events for us although he was not officially a member of the staff. Most of the sports photographs were taken by David and many throughout the HORIZON were taken and processed by him.



Looking Back

This past year has been quite hectic, wild and eventful, to say the least for people everywhere, and especially for us at Mt. Carmel. Having to adapt to late afternoon sessions at Black Mountain early in the year, and then to the environment of a brand new school without many luxury facilities was difficult. We've all had our hard times. Certainly the Horizon staff suffered when our advisor, Ms. Williams was in the hospital for such a long time at the first of the second semester. Yet we feel that though at times it was rough going the year has been a success for our school, and most of us as individuals. How much of a success it has been, here and in other areas of our world, is for each to decide for himself.

As far as politics goes, we've seen some nearly unbelievable happenings. Many of the people involved in the Watergate scandal were convicted and some spent considerable time in prison. Spiro Agnew resigned as vice-president in 1974 because of criminal actions. There was a lot of expectation that ex-president Richard Nixon would be impeached during his second term until finally in August of 1974 he resigned from office. Vice President Gerald Ford became President and Nelson Rockefeller was chosen to be vice-president. Never before in the history of our country has the government been so riddled with scandal. Here in California we have a new govenor, Jerry Brown. He's a very young man and his father was governor of our state. Economic conditions have not been very pleasant either. Inflation continues to be a terror for everyone and gas prices keep on rising. We don't see as many big luzury cars on the highways any more. The energy crisis continues and a suitable outcome does not look promising for the near future. Fortunately, however, some of the environmental problems seem to be decreasing. People are becoming more aware and concerned about the air we breathe and the litter in our cities. All over the country people are taking honest interest in projects to keep America beautiful and in many areas their efforts are paying off.

For those interested in music and entertainment, 1974 has been full of big events. In 1974 Sonny and Cher broke up after nearly ten very successful years as a team. Early in 1975 the death of the great commedian, Jack Benny, brought sadness to all that loved this very talented man. He died of cancer in January but he left a long lasting memory for all Americans.

In the music world one of the biggest current items is the appearance of a new Australian lady singer, Olivia Newton John. Two of her songs have become huge successes; "I honestly Love You", and "Have You Never Been Mellow". Remember songs like: "Mandy" by Barry Manilow, "Black Waters" by the Dooby Brothers, "Fire" by the Ohio Players, "Having My Baby" by Paul Anka, "Laughter In The Rain" by Neil Sedaka, "Pick Up The Pieces" by the American White Band and "This is For All The Lonely People" by America.

Movies this year seemed to follow the current trend of adventure and suspense as in the best shows like EARTHQUAKE, THE TOWERING INFERNO, and AIRPORT 1975. And we couldn't forget to mention the very moving TRIAL OF BILLY JACK which became so popular for all people, especially the young.

TIMES-ADVOCATE

10¢ — 62ND YEAR — ESCONDIDO, CALIFORNIA, FRIDAY, AUGUST 9, 1974

Ford sworn in as President

Television continues to promote violence, and many new TV movies this year began announcements suggesting parental guidance and discretion be used. ALL IN THE FAMILY is still one of America's favorites and its producers Norman Lear and Bud Yorkin keep coming up with more of the same types of shows, GOOD TIMES, HOT L BALTIMORE, THE JEFFERSONS and THAT'S MY MAMA. This year has been a big year for police shows such as THE ROOKIES, SWAT, MCCLOUD, and HARRY O. There seems to be a new trend emerging placing women in traditionally male roles as in POLICE WOMEN and GET CHRISTIE LOVE. Daytime TV has not changed much. The TV stations are still showing the syndicated shows like BEWITCHED, LUCY SHOW, etc. Some soap operas are being increased to an hour long.

It has been some year in sports also. About the biggest event of the year for baseball fans, was Hank Aaron's breaking of Babe Ruth's all time home run record. Here in San Diego our baseball team received a great deal of publicity when McDonald's owner, Ray Kroch, bought the Padres. In Football, the Pittsburgh Steelers became the number one professional team by winning Super Bowl Nine. New Year's Day was a great success when USC Trojans beat the Ohio State Buckeys in the Rose Bowl. Tommy Prothro became the new coach for the San Diego Chargers. A world football league was organized and went into serious financial trouble immediately. Boxing news of the year is that Mahommad Ali won back from George Forman the world heavy weight championship title. Hockey here in San Diego has its ups and downs. The San Diego Gulls are no longer around but to replace them a team has come from New Jersey, called the Mariners. Already this team has brought a sell out to the sports arena.

In general news, as of March 1975, the Patty Hearst kidnapping was still unsolved. Patty has been missing for longer than a year now. The identity of the skid row slasher, who has so far murdered nine persons, is still unknown.

It's anything goes in fashion this year but one interesting item is the return of the below the knee length skirt. These skirts with platform shoes have become very popular.

The bill that will allow California School Boards to decide whether or not smoking will be legal on campuses is going back to the State Legislature after having been vetoed last year by Governor Ronald Reagan. The Equal Rights amendment still has not been passed in enough states to become a law.

As far as we are concerned our school excelled this year far beyond all expectations. Our athletes were super stars in spite of tremendous obstacles and lack of facilities. Our teachers and administrators have been wonderful all year. We have a great music and drama program beginning. Our Vocal Ensemble has participated in nearly all of the city wide music programs this year. Our band has marched in parades and programs throughout San Diego and although we are small, we're strong and getting stronger. Sundevil pride will really be expressed in the new uniforms they have chosen. Several clubs have been organized and next year our clubs and activities should be off to a great start.

All the students have worked well together and I think we can indeed be proud of our school. Mt. Carmel forever!!!

Best Wishes,

Donna Potter

Okey,

Rember El Cortez? Rember the beach?
Remember the boyfriends? Remember our problems?
Remember Everything!? We've had a really super
year. Even tho a couple of time's we were at
each other's throats. Thanks for all the advise
you've given me. It's come in handy. I sure
hope over the summer you learn how to spell!
May be you ought to carry a dictionary in your
purse. (Just Kidding) I hope we stay close friends
and see each other alot this summer. Just think
we'll be able to drive in a couple of months Well
I guess thats all I have to say (unusual huh)

The End!

Lots of Love
God Bless

Okemah,
I just got to know you and I think you're a real nice person to have around & friend to have. Good luck through the years and take it easy.
Your friend
Vada

Okemah,

This year has been a wierd one for more then one reason. Last summer we were such good friends and the beginning of this year too but it seems like weive been drifting away for the past couple months. (That sounds like we are lovers or something.) But it's true I think you know. But Probably this summer we will be good friends again. — at least I hope so. Cause we had some real good times in the summer. Remember every Monday night at Alateen. and when we went for a swim at 11:00 at night. and all the stupid secrets and gossip when we'd talk all night. When I think back it seems strange because now we are so far apart.

Boy, this sure is seeming to be corny. Remember the spring party at the Teen Club and Led Zepplin with Jack. It seems he always gets into our year books somehow. Remember last summer when I got on restriction? Well that was really fun. Well, at least I will see you in summer school and at the Teen Club. Well, this is getting Boring so excuse this if it sounds corny. But I hope we get good friends again. Love Jody

keep an eye on Floyd

It's been fun knowing you
this year and I hope
to see you more often
next summer.
Have a fun Summer.
Love
